OLD BUSINESS-UPDATES

Merfi is planning on having a meeting today at 1:30 at the Fly-boys Café'. If you are interested in helping please attend.

Reported on the 16 new member that Frank Ujvari has given applications for membership to MAC.

Increase in the membership dues from 12 dollars to 15 dollars.

Tom Root - reported on the Car Cuddlers- group did not meet will keep us informed.

The MAC Gorman Award was given to RON DAPPNER at the meeting, a very proud and humble acceptance and a small acceptance speech noted. All is very clear that Ron has a unconditional love for flying!

Small discussion on the Valentines Party and should we have a speaker. (Ken Hammond tree cost 175?) Discussion continued and idea was brought to a close. Instead we will put together a basket to be sent to local service men

in Iraq.

Scott Dickson moves to support idea, Bob Straight seconds; all in favor, motion carries.

Margaret Halter to make contact and post in Newsletter.

Discussion on the computer in the Pilots lounge area, computer is very slow, sometimes it locks you out and is difficult to get back on line for use.

Several members will look at the computer after the meeting.

AIRPORT REPORT

Construction on inner drainage is complete. Most of the construction went well, it was completed in December.

Rehab for runway 14/32 will extend into the summer months, scheduled to start in the spring.

Part 139 inspection (March 25th) & FAA audits will be a three day event.

Some discussion on the snow removal by the T-hanger taxi-ways and blocking right of way access. Mark will follow-up on member concerns.
