Regular Meeting

The next regular meeting of the Mansfield Aviation Club will be Saturday June 3rd at 09:00. MAC regular meetings are held in the conference room of the MFD terminal building on the first Saturday of each month. The December regular meeting is replaced by the Christmas Party and Annual Meeting. The June meeting will be our only opportunity to organize our June 17th pancake breakfast. We are hoping for a good turnout and a great event. If you can't make the meeting, but can help on the 17th, make sure you let one of the officers know so that we can get you on the schedule.

MAC Web Page

Be sure to have a fresh look at the MAC web site hosted by Mike Broderick. There are plenty of interesting pictures on aviation topics. You will almost certainly find your own picture in the series of photos from the 2005 Christmas Party.

EAA Breakfast June 27th

EAA 148 will serve a pancake breakfast on the 27th from 7:00AM until 11:00 AM. Tour the facility, eat breakfast and get a good look at beautiful north central Ohio. Mix and 87 octane gasoline is available at the Air Park.

IMPORTANT INFO

Memorial Day Cookout -- Please Read This!!!!

More and more graduation ceremonies seem to be moving to the Memorial Day Weekend and that has created real problems for our traditional Memorial Day barbecue! So many of the members that always pitch in to organize and prepare for MAC events are unavoidably away from home on the weekend we have always used. Cancellation of the event was discussed among the officers, but in the end it was decided that we could convert the event to picnic style. We will *not* be able to cook the meat and provide the drinks on the 27th. Don't let that stop you if you are in town, head out to MFD and share the picnic fun. The 6:00 PM start time remains the same. The MFD pilots lounge will be available in case the weather turns sour. We are hoping to schedule a replacement BBQ style event later this year where we will provide the entrée and beverages as always.

MAC Pancake Breakfast

Our major fund raiser is on again for 2006. It will be part of "Relay for Life's Airport Cruise In, sponsored by the City of Mansfield Racer's Relay team.

The pancake breakfast kicks off the activities at MFD from 7:00 AM till 11:00 AM. At 9:00 AM till 11:00 AM onsite

registration for the cruise in will be available. Forty trophies will be awarded covering Bike, Car, and Truck categories. Music will be provided by Dr. Rock. (Clear Channel Radio)

Try to make the regular meeting in June. A lot of planning for the event remains to be done. We need to be sure we have everyone back in the swing of things after a year off.

Take a look please

We never want to loose touch with any of our past or present members. Please check the date on your address label. We try to be very generous in keeping our members on the mailing list for an extended time, but this will be the final mailing to those with unpaid dues for the current year.

Young Eagles

May sixth was an EAA Young Eagle day at MFD. Many local aviation enthusiasts supported the flights both on the ground and in the air. Over one hundred youngsters were introduced to the joys of flight. Bob Staight organized the event and sends his thanks to all who helped out. Special thanks to the Flying Turtle Restaurant for their donation of snacks for the Eagles and their crew! The next Young Eagle Rally is at Ashland Airport (3G4) on 3 June. Pilot briefing at 09:30 and flying from 10:00 to 13:00.
